Credit for Experience: Newly employed teachers may be granted credit at \$455 per year, for up to ten (10) years, for each full year of full-time related occupational or educational experience. A full year shall be defined as twelve (12) consecutive months of employment or two (2) consecutive semesters. In adding up the total of the years eligible for credit as defined above, a new hire shall have his/her total experience rounded to the nearest whole year for credit purposes, up to the ten (10) year maximum.
