WCNY

- **Enterprise America**
 - We had a quick tour of the entire WCNY facility from Bob Daino, WCNY president and CEO.
 - We spent time in the Enterprise America construction area discussing the curriculum, logistics, etc.
 - Special for schools that participate next year and who reserve their visit by November 1st: WCNY professionals will prepare a one-minute commercial about any program/feature of the school which will repeatedly air for one year as an interstitial on WCNY and will be given to the school to be used as their own video on their website or any other way.
 - Enterpriseamerica.ocmboces.org is the website.
 - The cost is \$1175 per class which will be run through the Science Center so it will be aidable.
 - Open houses for educators and others will occur in September
