

## OCM BOCES Safety Committee

The OCM BOCES Safety Committee was founded in June of 1997 as a cooperative effort between employees and administration. The Safety Committee includes representatives of Administration, Mid-Level Administrators Assoc., OCMBFT and COMBO. We have maintained a tradition of a positive and constructive interaction within the group. Three meetings are held each year, usually in October, January, and May.

Currently we have nine-members comprised of individuals from various programs and sites as follows:
