

# Conversations in Schools

|  | What you hear in schools | What you want to hear | What you can do about it |
|--|--------------------------|-----------------------|--------------------------|
| <b>Standards</b><br>(CCLS, NGSS, etc.)   |                          |                       |                          |
| <b>Data</b><br>(Data-Driven Instruction) |                          |                       |                          |
| <b>Professional Practice</b><br>(APPR)   |                          |                       |                          |
| <b>Culture</b><br>(PLC)                  |                          |                       |                          |
