

ONONDAGA-CORTLAND-MADISON BOCES Career & Technical Education

WELDING TECHNOLOGY at McEvoy

Skilled welding technicians have multiple employment options and are a vital link in the manufacturing, construction and facilities maintenance industry. As a two-year program, Welding Technology provides students the skills of arc welding, resistance welding, brazing and soldering, as well as cutting, heat-treating and metallurgy. Students gain knowledge of electrical systems, power sources and different welding technologies, welding systems, print interpretation and measurement, as well as the use and interpretation of visual symbols related to welding. This course will give the student knowledge and technical skills that will prepare them for positions as an entry-level welder or advanced placement in post-secondary education. Work-based learning sites are developed in the second year to allow the opportunity to intern at many local businesses. Students are provided with internship experiences, the opportunity to earn industry-recognized AWS certifications and a Career and Technical Endorsement on their diploma by successfully passing an industry-standard technical assessment.

AVAILABLE ACADEMIC CREDITS

- 3 CTE per year
- 1 science or math per year

CONTINUING EDUCATION PARTNERS

- Morrisville State College
- SUNY at Alfred
- SUNY at Delhi

TECHNICAL SKILLS

- Arc welding
- Metal inert gas welding
- Tungsten inert gas welding
- Brazing
- Soldering
- Metallurgy
- Welding print reading
- Heat treating
- Flame cutting

INDUSTRY CERTIFICATION

- AWS
- OSHA

CAREER OPPORTUNITIES

- Welding technician
- Structural welder
- Maintenance welder
- Assembler tack welder
- Production welder*
- Construction welder*
- Welding inspector*
- TIG/MIG welder*
- Fabricator welder*
- Reactor welder*
- Welding machine operator*
- Welding engineer*
- Underwater welder*

** Advanced Employment – Additional training may be necessary*

FOR MORE INFORMATION

For more information about the Welding Technology program, see your high school guidance counselor or call our OCM BOCES guidance counselors at:

McEvoy Campus (Cortland): 1710 NYS Route 13 (607) 758-5260
