Career and Technical Education Awards & Scholarships

OCMBFT Scholarship: In recognition of the consistent hard work required to achieve the Career & Technical Education Student of the Year Award, the OCM BOCES Federation of Teachers chooses to recognize the top CTE student with this honor.

Tools for Success: Also referred to as the *Snap-on Tools* award, this gift of a high-quality ratcheting screw driver is guaranteed for life, just like an OCM BOCES Automotive Technology and Automotive Collision education. The prize is officially awarded during a formal ceremony in May.

Home Builders of Central New York, *Golden Hammer Award:*

Based upon their Career & Technical Education program grades, 21st Century skill acquisition, and enthusiasm for the construction industry, two leading Construction Technology students are selected for this honor during their senior year. “Golden Hammer Award” recipients typically demonstrate initiative, resourcefulness, leadership qualities, passion for life-long learning, and a brand of work ethic requisite for success in the competitive local homebuilding & remodeling business. In order to recognize the OCM BOCES student award winners, The Home Builders & Remodelers of Central New York present them with a commemorative hammer and tool belt, as well as with a framed certificate of achievement from the trade organization.

Career and Technical Education Awards & Scholarships

The Barb Lehmann Award: A longtime and beloved OCM BOCES Pastry Arts and Career Development Food Service teacher, Barb Lehmann is being remembered with the scholarship to a deserving student who exemplifies her keen interest in baking and culinary excellence.

The Deb Shumway Scholarship: Awarded to a CTE Computer Technology student who demonstrates a love for learning and a desire to become a part of the information technology industry, this honor memorializes an OCM BOCES Regional Information Center employee who was well known for her dedication to service to others.

The Jessica Neu Memorial Award: Jessica was a CTE Early Childhood Education student from Onondaga Central School who achieved academic growth and maturity as a direct result of her participation in the Early Childhood program. This scholarship is awarded to graduating member of the Early Childhood Education class who best represents the spirit of Jessica's enthusiasm for teaching pre-school aged children.

Margit Connors Memorial Award: Established in loving memory of the mother of an OCM BOCES science teacher, this scholarship is given to a deserving senior from the CTE Health Occupations class who will be enthusiastically embracing a career in the health field.

Career and Technical Education and New Vision Awards

Perseverance Award

This is awarded to a student who through hard work and determination has successfully completed his or her career and technical education program.

Most Improved Student Award

This is presented to the student who has demonstrated a strong desire and effort toward improving his or her technical and employability skills over the two years enrolled in his or her career and technical education program.

Most Dedicated Student to the Field or Industry

This is awarded to a student who has demonstrated a passion or commitment to his or her program and plans on pursuing a career in the field by either attending a post-secondary school or working directly in the field.

21st Century Skills Outstanding Student Award

This award recognizes a graduating student who, over the past two years of study, has demonstrated the desired skills of the 21st Century; those being excellent technical skills, a strong work ethic, problem-solving skills, creativity, leadership qualities, good attendance, and a daily commitment to his or her program.

Rachel's Challenge FOR Club

Michael Cavender and JoAnne Webster, Advisors

The F.O.R. Club (Friends of Rachel) is inspired by Rachel Scott, the first victim in the 1999 Columbine school shooting. Her acts of kindness and compassion, coupled with the encouraging contents of her six diaries have become the foundation for one of the most life-changing school programs in America. The OCM BOCES F.O.R. Club Chapter "is designed to inspire, equip and empower every person to create a positive culture change in their school, business and community by starting a chain reaction of kindness and compassion."

SkillsUSA

Danielle Curtis, Advisor

SkillsUSA is a national membership association serving high school, college and middle school students who are preparing for career and/or college in trade, technical and skilled service occupations. SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled workforce. SkillsUSA empowers its members to become world-class workers, leaders and responsible American citizens. SkillsUSA offers local, state and national opportunities for students to learn and practice personal, workplace and technical skills grounded in academics. Annually, students showcase their skills in regional, state and national competitions. These technical competitions help establish industry standards for job skill training and entry-level workers. SkillsUSA is recognized by the U.S. Department of Education as a successful model of employer-driven youth development training.
