Kit Title **Animal Responses**

*GR = Guided Reading

Adaptation

Publisher: Capstone Press
Program: Graphic Library
ISBN: 9780736878920
Science Center Comments:

Our Pick *Grade :* 6 *GR/Lexile Level*:* T *WordCount*
Genre: Graphic novel *BigBook Available*
Cost: \$7.80 *approximate per book* *Copy not at SC*
Decription:
A journey into adaptation with Max Axiom, super scientist. (Adapting to survive. Adaptation through the ages. Physical properties. Behavioral adaptations.)

Adaptations

Publisher: Harcourt
Program: Content Reader Collection
ISBN: 9780153620393
Science Center Comments:
BL-4

Our Pick *Grade :* 5 *GR/Lexile Level*:* L-M *WordCount* 1000
Genre: Expository Nonfiction *BigBook Available*
Cost: \$4.50 *approximate per book* *Copy not at SC*
Decription:
adaptation of living things to their environment, behavioral responses to environmental pressures

Adaptations

Publisher: National Geographic
Program: Windows on Literacy
ISBN: 9781426350658
Science Center Comments:

Our Pick *Grade :* 5 *GR/Lexile Level*:* N-O *WordCount*
Genre: *BigBook Available*
Cost: \$15.45 *approximate per book* *Copy not at SC*
Decription:
Lexile: 610

Adaptations (Animals)

Publisher: Millmark Education Corp.
Program: Concept Links
ISBN: 9781433401527 (6pk)
Science Center Comments:

Our Pick *Grade :* 5 *GR/Lexile Level*:* R-S *WordCount*
Genre: *BigBook Available*
Cost: \$8.00 *approximate per book* *Copy not at SC*
Decription:
Lexile: 730

Animal Needs and Life Cycles (Red Ed.)

Publisher: Delta Education
Program: Delta Science Content Readers
ISBN: 9781603953580
Science Center Comments:

Our Pick *Grade :* 5 *GR/Lexile Level*:* Gr. 3- *WordCount*
Genre: Expository Nonfiction *BigBook Available*
Cost: \$7.25 *approximate per book* *Copy not at SC*
Decription:
(Purple edition is available with a Gr. 5 - 6 reading level.) invertebrates and vertebrates; animal needs; adaptations and responses; migration, camouflage, mimicry, hibernation; animal life cycles

Kit Title Animal Responses

*GR = Guided Reading

Animals and Adaptations

Publisher: Harcourt
Program: Content Reader Collection
ISBN: 97801536222250
Science Center Comments:

Our Pick *Grade :* 5 *GR/Lexile Level*:* P-Q *WordCount* 1950
Genre: Expository Nonfiction *BigBook Available*
Cost: \$4.50 *approximate per book* *Copy not at SC*
Description:
 basic needs, survival, adaptation, biological changes, behavioral responses (instincts, adaption, learning)

Antarctic Adventure

Publisher: National Geographic
Program: Reading Expeditions
ISBN: 0792258525
Science Center Comments:

Our Pick *Grade :* 5 *GR/Lexile Level*:* S-T *WordCount*
Genre: Content-based Fiction *BigBook Available*
Cost: \$13.60 *approximate per book* *Copy not at SC*
Description:
 (Realistic Fiction, there are several titles available based upon different ecosystems.) animals and their environment; changes in environment affect the living things; scientific study of environments; Earth is constantly changing

Changes in Ecosystems

Publisher: Harcourt
Program: Content Reader Collection
ISBN: 9780153622441
Science Center Comments:

Our Pick *Grade :* 5 *GR/Lexile Level*:* R-S *WordCount* 1625
Genre: Expository Nonfiction *BigBook Available*
Cost: \$4.50 *approximate per book* *Copy not at SC*
Description:
 Focus is on animal responses to changes in their environment.

Changes in Ecosystems (Red Ed.)

Publisher: Delta Education
Program: Delta Science Content Readers
ISBN: 9781603953566
Science Center Comments:

Our Pick *Grade :* 5 *GR/Lexile Level*:* Gr. 3- *WordCount*
Genre: Expository Nonfiction *BigBook Available*
Cost: \$7.25 *approximate per book* *Copy not at SC*
Description:
 (Purple edition is available with a Gr. 5 - 6 reading level.) ecosystems; habitat, niche, population, community; needs of living things; environment, competition; natural changes; human effects on ecosystems; succession, adaptation; conservation

Classification (Animals)

Publisher: Millmark Education Corp.
Program: Concept Links
ISBN: 9781433401503 (6pk)
Science Center Comments:

Our Pick *Grade :* 5 *GR/Lexile Level*:* O-P *WordCount*

Kit Title Bats Incredible

*GR = Guided Reading

Animal Groups

Publisher: Harcourt
Program: Content Reader Collection
ISBN: 9780153621826
Science Center Comments:
 A good book to stimulate discussion of the characteristics of bats in regards to where they fit into the animal kingdom.

Our Pick *Grade :* 2 *GR/Lexile Level*:* I **WordCount** 325
Genre: Expository Nonfiction *BigBook Available*
Cost: \$4.50 *approximate per book* *Copy not at SC*
Decription:
 Living things are grouped by shared characteristics: mammals, birds, reptiles, amphibians, fish, insects

Animal Life Cycles

Publisher: Sundance/Newbridge
Program: Reading Powerworks
ISBN: 9780760892343
Science Center Comments:
 (book copy filed with "Butterflies")

Our Pick *Grade :* 2 *GR/Lexile Level*:* J **WordCount** 305
Genre: Essay Nonfiction *BigBook Available*
Cost: *approximate per book* *Copy not at SC*
Decription:
 what is a life cycle; mammals, insects, fish, amphibians, reptiles, birds all have life cycles

Animals

Publisher: Harcourt
Program: Content Reader Collection
ISBN: 9780153620096
Science Center Comments:
 making comparisons between animals - how do bats compare?

Our Pick *Grade :* 2 *GR/Lexile Level*:* H **WordCount** 225
Genre: Expository Nonfiction *BigBook Available*
Cost: \$4.50 *approximate per book* *Copy not at SC*
Decription:
 classifying (sorting) animals by their body and life style characteristics

Move It!

Publisher: Harcourt
Program: Content Reader Collection
ISBN: 9780153623868
Science Center Comments:
 extending by comparing animals by how they move

Our Pick *Grade :* 2 *GR/Lexile Level*:* J **WordCount** 375
Genre: Expository Nonfiction *BigBook Available*
Cost: \$4.50 *approximate per book* *Copy not at SC*
