

Teachers in the World of Work

JULY 19 - 23, 2010

8:00 AM - 4:00 PM

CAREER TRAINING CENTER
LIVERPOOL

This workshop focuses on familiarizing educators with the needs of businesses and how to best prepare students to be successful beyond high school.

- Spend 2 days out in the community with local businesses.
- Focus on 21st Century Skills and their application to the world of work and beyond.
- Create problem-solving based projects with business partnerships to enhance real-world learning experiences for our students.
