Notice of vacancy within the Onondaga-Cortland-Madison BOCES

Position: *Teacher – Engineering Technology Professions*
Division: Career and Technical Education
Location: OCM BOCES Cortlandville CTE Campus: 1710 NYS-13, Cortland

Duties: The two-year CTE Engineering Technology Professions program offers students the opportunity to explore an exciting future in engineering, including micro-nano technology and other cutting-edge fields. Through a collaborative partnership with Tompkins Cortland Community College (TC3), Cornell University’s NanoScale Science & Technology Facility and area industries, students will gain the knowledge and skills they need to pursue a variety of fast-growing careers in science, technology, engineering and mathematics. The instructor will be responsible for teaching the engineering curriculum, allowing students the opportunity to earn Tompkins Cortland Community College credits aligned to Engineering Technician Level I and Micro-Nano Fabrication Safety micro-credentials. Students will also engage in learning experiences at Cornell University’s state-of-the-art NanoScale facility.

Qualifications: Candidates with teaching certification in engineering technology, or individuals with three or more years of experience in the engineering field, are welcome to apply.

Salary: In accordance with the OCMBFT 2024-2025 salary schedule. Credit will be given for experience and educational preparation.

Starting Date: On or about August 29, 2024

Closing Date: OPEN

Applications accepted on-line only. Register and apply at:
