

Vacancy Notice

Date notice posted: 5/22/25

Notice of vacancy within the Onondaga-Cortland-Madison BOCES

Position: *Teacher – Engineering Technology Professions*

Division: Career and Technical Education

Location: OCM BOCES Cortlandville CTE Campus: 1710 NYS-13, Cortland

Duties: The two-year CTE Engineering Technology Professions program introduces students to electrical systems, micro-nano technology, and other advanced STEM fields. In partnership with Tompkins Cortland Community College (TC3), Cornell University's NanoScale Science & Technology Facility, and local industries, students build technical skills for success in college and careers. The instructor will be responsible for delivering a hands-on, project-based engineering curriculum that emphasizes foundational concepts in electrical engineering and technology, circuit design, fabrication, and safety. Instruction is aligned with TC3 coursework, giving students the opportunity to earn college and high school credits.

Qualifications: NYS teaching certification in engineering technology or a related STEM field, or experience in the engineering industry, with a preferred background in electrical engineering or technology.

Salary: \$63,125- In accordance with the OCMBFT 2025-2026 salary schedule. Credit will be given for experience and educational preparation.

Starting Date: On or about August 28, 2025

Closing Date: OPEN

Applications accepted on-line only. Register and apply at:
