Principal Beginning of the Year Meeting

Complete the following sections and bring to your beginning of the year meeting.

1	Based on what you know about your students, teachers, and programs, describe your school and its instructional needs.
2	How are you going to ensure that your staff is working effectively and acting professionally?
3	What are the things you hope to accomplish this year and how are you planning to achieve them (vision, goals, data, etc.)?
4	What are your goals for your learning for the year? What district support would help you reach the goals you have set for the year?
5	How will you support the goals of OCM BOCES this year?
