

Planning for APPR Implementation

Analyze your APPR plan. What are its requirements?

	Probationary Teachers	Tenured Teachers
How many extended observations are required?		
What is expected to happen, and when, in the extended observation process?		
How will you collect evidence?		
When will the teacher see the evidence you collected?		
What are the expectations for conversations?		
When will you score the observation on the rubric?		
How many mini-observations are required?		
What is expected to happen, and when, in the mini-observation process?		
How will you collect evidence?		
When will the teacher see the evidence you collected?		
What are the expectations for conversations?		
When will you score the observation on the rubric?		

What else is in your APPR plan?

Which rubric are you using?

How do teachers submit their evidence?

What is your management system?

What are your SLO/LAT process and procedures?

How are the NYS Teaching Standards weighted?
