Our school does a good job in preparing students for the next grade or school level.

My teaching and learning activities are focused on helping students achieve the Standards.

My homework assignments are appropriate and productive in meeting the Standards.

My curriculum and instructional strategies emphasize higher-level thinking and problem-solving skills.

I use a variety of teaching strategies and learning activities to help students learn.

I teach students how to assess their own progress and how to set their own learning goals so they may...

I give students a variety of ways to show how well they have learned (for example, projects, portfolios, ...)

I give students and parents feedback on student progress and provide suggestions for improvement when...

I use the results of tests and other assessments to plan and adjust my instruction.

I feel safe at school.

Our school is clean and well maintained.

Most of the students in our school are well behaved.

Discipline problems at our school are handled quickly and fairly.

Our school environment is orderly and supports learning.

I can freely express my opinions or concerns to the administrators.

There is open communication among administrators, teachers, other staff, and parents.

Teachers and administrators respond to students' and parents' concerns or suggestions in a timely manner.

Our school staff shows that they care about and respect students.

Administrators, teachers, and other staff treat each other with respect.

Our school invites parents to participate in important decisions about J-DMs.

Teachers plan and help make decisions about matters that affect them (for example, staff development, ...)

At the beginning of the school year, I clearly inform students and parents about what students are expected to...

I give students extra help when they need it.

I have access to computers that I need to teach effectively.

Instructional time is flexible and organized to support student learning.

Our school has high academic standards and high performance expectations for all students.

School activities meet students' interests and needs (for example, sports, clubs, music)

Gangs are not a problem at our school.

Our school's programs meet the special needs of students (for example, learning disabled, gifted and...)

Staff development at our school is excellent and focused on standards based education.

Administrators, teachers, and staff work together effectively to achieve our school's goals.

Our school provides a variety of ways for parents to become involved at school.

Our school keeps parents informed of what goes on at the school.

Our school clearly communicates its goals to staff, parents, and students.

Effective changes in curriculum materials and instructional practices are coordinated and schoolwide.

I would send my own child to this school.

I am satisfied with how well my students are achieving the Standards.

I am satisfied with my school's leadership.

I know what the schoolwide learner outcomes are.

I participate in professional development to maintain my expertise in my area of certification.

At my school, there is a systematic evaluation system in place to help staff grow professionally.

I actively work toward improving my school.

The schools' vision is reviewed on a regular basis.
