Meeting Topics

- **Summer School Update**
 - General update ([presentation](#))
 - Policy changes (some require input) were described (see [slides](#))
 - There could be a larger menu of initial credit offerings, if the interest is sufficient to staff the courses
- **CTE Update**
 - The CDOS credential was explained by Colleen Viggiano, Assistant Superintendent for Student Services ([slides](#))
 - A Career Development program started at the Henry Campus this year; approximately 60 students are enrolled.
 - Phil Grome and team have developed an outline for a two-year Career Development Program version for McEvoy. A critical mass of students would be needed in order for it to proceed. This would replace Career Exploration program. Students would probably not enroll as a ninth grader but after other options were first tried.
- **New Tech High School Update**
 - Regional Vision [update](#)
 - Innovation Tech [website](#)
 - Cortland New Tech plans were reviewed. A location is being sought and an advisory committee will soon be formed.
- **SkillsWin!**
 - Here's a [flyer](#) to share with teachers
