

RTTT Quarterly Report for ARRA

It is time to do your Race To The Top (RTTT) reporting for ARRA. Most ARRA award periods have ended except for Race To The Top which goes through the end of 2013-2014.

There are several pieces of information you need in order to report: Program Narrative, Jobs Created or Saved, Vendor Payment, and Vendor Information.

For your **program narrative** you can copy and paste this narrative (which is the same thing you entered when you submitted your Year 2 Budget in the fall):

The district has allocated all of its Race To The Top funds to the OCM BOCES Network Team. The BOCES Network Team is working in collaboration with the district to support Common Core implementation, Data-driven instruction and Inquiry, and the implementation of the new APPR system. Through a combination of training and onsite professional development and support in the district, teachers and administrators are realigning units, using data to inform instruction, and working toward implementation of the new evaluation systems.

For **jobs created or saved**, use the FTE number in the chart below (derived by taking the total number of FTEs hired with RTTT money and assigning the FTE portion using the overall ratio of each district's RTTT contribution out of the total):
