

A Chittenango Community Event

The nationally acclaimed inspirational story of Rachel Joy Scott returns to Chittenango!

While her life was tragically cut short during the Columbine High School shooting on April 20, 1999, Rachel Joy Scott's shining example of kindness and compassion was not defeated that day.

Rachel's message is alive and impacting thousands of lives in the Chittenango Community every day.

The presentation is a powerful reminder of the little things each of us can do to make our world a better place.

*Please join the movement...for together, **WE ARE CHITTENANGO!***

Each of us has the power to influence the many and every one of us is representative of the whole. Each of us can show "a little kindness," reach out "in all the little ways," to make a big difference. Let us remain committed to our core values, the principles which make us who we are, and go forth in the New Year resolved to persevere. Let our strength and fortitude be known to all, that our school family and community will prevail above all odds, overcome any adversity - because at the end of the day we remain - full of courage, hope and unity. **FOR together, We Are Chittenango!**
