OCM BOCES INSTRUCTIONAL SUPPORT

OCM BOCES–CR Part 154 Revised Regulations Work Session

The purpose of this work session is for administrators (district & school building level) to discuss the impact of the new regulations on stake holders and identify areas of greatest needs in order to support ELLs in their respective districts. This work session will help raise awareness about the importance of administrators' active participation in ensuring the success of English Language Learners (ELLs). Representatives from the Mid-State RBE-RN at OCM BOCES will review C.R. Part 154 regulations and facilitate the work session. Topics that will be discussed are the new and expanded requirements of the new regulations in the following areas:

- ELL Identification and Program Placement
- Parent Notification and Information
- Retention of Records
- Program Requirements
- Provision of Programs
- Grade Span
- Program Continuity
- Students with Disabilities
- ELL Exit Criteria
- Intervention Services
- Former ELL Services
- Graduation Requirements
- Professional Development
- Certification
- Planning and Reporting Requirements
- Comprehensiveness Education Plans for ELLs

Expected Outcomes:

- Participants will gain a deeper understanding of the revised CR PART 154 regulations and its impact on districts
- Completion of ELL Specific Needs Assessment
