

Building-Level Emergency Response Plan

Self-Assessment

for use by School and District Administrators

Name of School: _____ School Institution Code: _____
Name of District: _____ District Institution Code: _____
Date Self-Assessment was Completed: _____ Self-Assessment Completed by: _____

Instructions: This Self-Assessment may be used by administrators to review the **Building-Level Emergency Response Plan** for compliance with [Education Law §2801-a](#) and [Commissioner's Regulation §155.17](#). Included are a listing of items that are required at a minimum, with space to identify if required components are: in place, partially in place, or not addressed. Additional information and resources are available at: <http://www.p12.nysed.gov/sss/ssae/schoolsafety/save/>.

Note: this document is intended for internal use only. The school should retain this document with a copy of the School's Building-Level Emergency Response Plan, do not submit this document to the State Education Department. **Please do not disclose any confidential information in this document.**

Statute and regulation require that the building-level emergency response plan be developed by the building-level emergency response team. Each building-level emergency response team shall be appointed by the building principal, in accordance with regulations or guidelines prescribed by the board of education, chancellor or other governing body. Such building-level teams shall include but not be limited to representatives of teacher, administrator, and parent organizations, school safety personnel and other school personnel, community members, law enforcement officials, fire officials or other emergency response agencies, and any other representatives the board of education, chancellor or other governing body deems appropriate.

Each board of education, chancellor or other governing body or officer shall ensure that a copy of each building-level emergency response plan and any amendments thereto, is filed with the appropriate local law enforcement agency and with the State Police within 30 days of its adoption. Building-level emergency response plans are to be submitted to State Police by submitting electronically via the New York State Education Department (NYSED) business portal.

The building-level emergency response plan shall be kept confidential, including but not limited to the floor plans, blueprints, schematics or other maps of the school interior, school grounds and road maps of the immediate surrounding area, and shall not be disclosed except to authorized department or school staff, and law enforcement officers, and shall include (at a minimum) the elements described on the following pages.
