## The International Council of Nurses' Pledge

In full knowledge of the obligations  
I am undertaking, I promise to care  
for the sick, with all the skills  
and understanding I possess, without regard  
to race, creed, color, politics or  
social status, sparing no effort to  
conserve life, to alleviate suffering, and  
to promote health.

I will respect at all times, the dignity  
and religious beliefs of the patients  
under my care, holding in confidence all  
personal information entrusted to me,  
and refraining from any action that might  
endanger life or health.

I will endeavor to keep my professional  
knowledge and skill at the highest level,  
and to give loyal support and cooperation,  
to all members of the health team.

I will do my utmost to honor the  
international code of nursing ethics, and to  
uphold the integrity of the professional nurse.
