CTE and New Vision Awards

Perseverance Award

This is awarded to a student who through hard work and determination has successfully completed his or her career and technical education program.

Most Improved Student Award

This is presented to the student who has demonstrated a strong desire and effort toward improving his or her technical and employability skills over the two years enrolled in his or her career and technical education program.

Most Dedicated Student to the Field or Industry

This is awarded to a student that has demonstrated a passion or commitment to his or her program and plans on pursuing a career in the field by either attending a post-secondary school or working directly in the field.

21st Century Skills Outstanding Student Award

This award recognizes a graduating student who over the past two years of study has demonstrated the desired skills of the 21st Century; that being excellent technical skills, a strong work ethic, problem-solving skills, creativity, leadership qualities, good attendance and a commitment to his or her program.

Clubs

SkillsUSA

Mrs. Julie Allen and Mrs. Rebecca Robertson, Advisors

SkillsUSA is a national membership association serving high school, college and middle school students who are preparing for career and/or college in trade, technical and skilled service occupations. SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled workforce. SkillsUSA empowers its members to become world-class workers, leaders and responsible American citizens. SkillsUSA offers local, state and national opportunities for students to learn and practice personal, workplace and technical skills grounded in academics. Annually, students showcase their skills in regional, state and national competitions. These technical competitions help establish industry standards for job skill training and entry-level workers. SkillsUSA is recognized by the U.S. Department of Education as a successful model of employer-driven youth development training.

SkillsUSA State Competition Participants:

Ariahna Metzler – Health Occupations – First Aid/CPR

Brooke Cochran – Early Childhood Education

Rachel's Challenge FOR Club

Mrs. Danielle Schlenker and Mrs. Laura Swayze, Advisors

The F.O.R. Club (Friends of Rachel) is inspired by Rachel Scott, the first victim in the 1999 Columbine school shooting. Her acts of kindness and compassion, coupled with the encouraging contents of her six diaries have become the foundation for one of the most life-changing school programs in America. The OCM BOCES F.O.R. Club Chapter “is designed to inspire, equip and empower every person to create a permanent positive culture change in their school, business and community by starting a chain reaction of kindness and compassion.”

Career and Technical Education Awards & Scholarships

Butch Ayers Scholarship:

This award is given in honor of Butch Ayers. It is awarded to an Automotive Technology student who has displayed enthusiasm and love of all things automotive for the past 2 years. The student must have plans to enter into the workforce of Automotive Technology or pursue a college education with an automotive degree.

Samuel D. Brown Memorial Tool Award:

Awarded to a student in the Automotive Technology class, this award is provided by Advance Autoparts in memory of Samuel D. Brown who was a student in the Automotive Technology program.

Debra A. Shumway Scholarship: Awarded to a CTE Computer Technology student who demonstrates a love for learning and a desire to become a part of the information technology industry. This honor memorializes an OCM BOCES Regional Information Center employee who was well known for her dedication to service of others.

Helen V. Snyder Scholarship: Awarded to a New Vision Environmental Science Student who is committed to the field and who is planning to further his/her education in a qualifying Environmental Studies major.

Margit Connors Memorial Scholarship: Established in loving memory of the mother of an OCM BOCES science teacher, this scholarship is given to a deserving senior from the CTE Health Occupations class who will be enthusiastically embracing a career in the health field.

Career and Technical Education Awards & Scholarships

Most Outstanding Math Student Award: This award recognizes the career and technical education student who has demonstrated academic achievement, ability, creativity, and interest in Mathematics.

Most Outstanding Science Student Award: This award recognizes the career and technical education student who has demonstrated academic achievement, ability, creativity, and interest in the field of Science.

OCMBFT Scholarship: In recognition of the consistent hard work required to achieve the Career & Technical Education Student of the Year Award, the OCM BOCES Federation of Teachers chooses to recognize the top CTE student with this honor.

National Technical Honor Society: Recognizes qualifying students who have chosen technical education pathways to a successful future.

Technical Endorsement: Awarded to a student who successfully completes all of their program requirements, including passing an industry based technical assessment (written and performance).

The Thomas D. and Lucille F. Garrity Award: The award was established with Cortland Memorial Foundation to honor the memory of Mr. and Mrs. Garrity and to recognize a student in the OCM BOCES New Vision Medical Professions program at Cortland Regional Medical Center. This student will have plans to pursue an allied health or medical degree, and will demonstrate an interest in and devotion to Cortland Regional Medical Center. Mrs. Garrity spent many hours as both a volunteer and employee of the Coffee & Gift Shop at the hospital.
