Creative Cost Cutting
Strategies for Saving $ Every Day

The car needs repair, your child needs braces...and the bills keep coming. Even in a two-income household, just trying to “make ends meet” today can seem like a daunting task. In this workshop we will explore money-saving strategies for all areas of our life including:

• Tools to track spending
• Balancing your budget
• Extreme Couponing (ok maybe not “extreme”, but really great couponing tips & tricks)
• Saving on Insurance costs-auto, home & health
• Saving strategies for “big ticket” and “odds & ends” items
• Credit card debt
